

Questions

and ANSWERS

What is included in the course fee?

Full training, all materials, all assessments, registration with REPs or eREPS, full accommodation, subsidised airport pick-ups, the right to re-attend for free for life and no commuting, parking or additional cost whilst on campus!

What certifications will I get?

You will graduate with an Advanced Diploma in Personal Training, Master Trainer certification, registrations as a level 3 PT (REPs) and Level 4 (eReps) and additional sales and marketing (business) qualification. You will be able to access world-wide insurance as a PT and launch your career immediately on your return. UK Intensive graduates will receive our Advanced Diploma and optional upgrade to full Master Trainer. Online graduates will receive our Diploma award with REPs level 3 PT registration.

What is unique about training with the PT institute?

This is a one-stop shop to embrace your future and focus on those all important practical and business skills to ensure career success. Besides, you will have an experience of a lifetime - so get ready this is your time to excel.

What if I can't afford to pay the course fees?

Then you have 3 options: 1. Look at our

payment plan options and pay over 15 months, 2. Consider our Online home study version providing a part time home study, part residential route to the same qualification but at more affordable costs or 3. Accept you will have to choose a cheaper course and potentially complete a lesser course of training to follow your dreams.

What if I have to defer?

We only charge a modest administration fee to enable students to simply train on a different course that better suits their schedule.

Will I be able to work anywhere?

Absolutely. We have graduates all around the world. You will be able to access a world-wide PT insurance policy through ereps and your qualification will be recognised throughout the UK, around Europe, in New Zealand and Australia. Whilst there is no formal route to gain immediately registration in the USA and Canada many of our graduates have made the transition without problem and eREPS and REPs UK as well as REPs New Zealand and Fitness Australia are close to unifying a truly world-wide recognition system. PT truly travels and can take you just about anywhere.

What are my opportunities once I qualify?

We can help you get started with any major employer and can offer you a guaranteed place with Fitness First.

Questions

and ANSWERS

And we will assist you find employment overseas, on a cruise ship, we will refer employers to you and update you every month with what is happening in the industry including opportunities and jobs in fitness.

What is the pass rate, will I cope with the intensity of the course?

The whole experience is geared towards supporting people with the right mind-set to succeed. All of our students are likely to graduate given the 24/7 nature of the training and appropriateness of the environment to access the individual coaching and tutoring sometimes required. There are no distractions and you will be surrounded by like-minded people everyday. There are no exams and you don't have to have any kind of science or even high level sports or fitness background to succeed.

We provide a comprehensive training package including full tutorial support to help anyone with the right enthusiasm and intent to get qualified and ready to embark on an amazing career in fitness.

It's not necessarily easy, we have students who need additional training, opportunity beyond the 6 weeks to finally qualify. However, all this is included as standard! We have students in their early twenties and as mature as 60. We have a range of abilities and students with a whole array of backgrounds. But this is what makes this experience so special. Our admin team will arrange students of similar age and backgrounds to room together throughout the

experience so that you feel comfortable enough to actually get out of your comfort zone to grow on-course. Successful personal trainers are those with the get up and go and determination to make every experience one to enable them to grow and develop.
